THE PLAN:

Daniel 8:8 "The goat became very great, but at the height of its power the large horn was broken off, and in its place four prominent horns grew up toward the four winds of heaven."

The question I invite you to consider today is, what will be the result if war breaks out between USA and Iran? Last month I wrote about *The Sign*, being that America's war with Iran would be a sign of the end of Trump's presidency as well as the end of ALL American presidencies. I see that winning the war with Iran will bring a storm, so violent, perhaps that it will ultimately cause the United States to break apart into pieces, where according to Daniel 8,

America will be divided into four weaker nations. If I am correct, America is the Goat of Daniel 8 under Donald Trump's command.

Yes, I know the similarities to the fall of Alexander the Great's empire, and if you want to hang your hat there go ahead, but I hope you will pray and understand as a watchman of Israel I am bound to

share the word I give, which is based on sound biblical interpretation principles. The most important principles are: 1. Read the whole passage 2. Interpret the passage in the understanding of the Hebrew language and culture 3. Understand that prophecy can have multiple fulfillments throughout history, some thousands of years apart such as Moses' Passover and Yeshua's Passover (Luke 22, Matthew 26, 1 Corinthians 5:6-7)

I will give you what I believe is God's plan for his people. For those who are prayerfully willing to receive this watchman word it is a word of hope and true joy.

Daniel 2:19 "Praise be to God for ever and ever; wisdom and power are his, He changes times and seasons; he deposes kings and raises up others. He gives wisdom to the wise and knowledge to the discerning. He reveals deep and hidden things; he knows what lies in darkness, and light dwells with him." As it becomes clear how God's plans are unfolding world-wide, there remains the question of what is God's plan for you and me personally in the midst of this turbulent world? If Iran is defeated by President Trump, I am seeing a violent

repercussion to that victory based on Daniel 8, powerful enough to bring down not just the Presidency, but our entire government, causing the USA to break into 4 weaker nations. Details of how this plays out is unclear, but I have been teaching that President Trump is the Goat of Daniel 8 for nearly nine years and according to Daniel, that Goat is destroyed and its horn which represents its power is broken.

Don't get me wrong, I voted for President Trump and I firmly believe he will be a historic force for good and righteousness in our generation. In fact I have said and still believe that our finest hour as a country is coming under the leadership of President Trump. Furthermore, I believe the work of President Trump for Israel will be unparalleled in history where he will be involved in directing the Plan that you will read about now. The "Plan" is the massive return of the Jewish people from America to Israel.

Meanwhile, millions of Americans sense something terrible is coming to our shores. People are prepping, storing up food toilet paper, guns and gold. Why? Most people don't know that America is going to fall and are unaware of the Daniel 8 teaching. Nevertheless, they sense trouble, be it war, collapse of the dollar, violence in the streets of our cities over the election, etc., Most people do not know or understand that the destruction of Iran's nuclear arsenal, military, along with government and Ayatollah are God's SIGN of the end of USA according to Daniel 8. We are being barraged with commercials about generators and solar generators and shelf stable food that lasts 25 years! People are prepping, bugging out, buying islands, going off the grid etc. Others are stocking up on beans, bullets and rice. Rich or poor, people sense something bad is in the works. On the other hand, some are just oblivious and checked out, and some saying they are glad they'll be raptured out before anything gets too difficult. Will it really be that simple?

What I see is that there are options, but only one plan. Here is the great news; God has a plan ready to go for His people. Here is the bad news; God has only ONE plan which results in survival. Amazingly, this GOD plan has already been demonstrated and documented, and if you know the Bible, you have access to the plan. It is the same "come out of Egypt" plan that my ancestors followed in the historic event called the Exodus! The other plans may work for a season, but those plans will ultimately fall short. Remember, things didn't go well for the Egyptians or Hebrews who chose not to put the blood on their door posts.

The God Plan: Exodus *1 Corinthians 10:11 "these things (Exodus) happened to them as examples and written down as warnings for us, on whom the end of the ages has com. So, if you think your standing firm, be careful that you don't fall!"*

I see that the judgments of Revelation that take place during the three and a half years of the anti-messiah parallel the Passover Story and the Exodus of Egypt where God judged Egypt because Pharaoh was playing god and resisting Moses. Moses and Aaron are

the original Two Witnesses. The work of the Two Witnesses of Revelation and their interactions with the anti-messiah is already outlined for us in the Passover Story. As I said, Paul instructs us in 1 Corinthians 10 that Moses is our pattern for the end of the age. I cannot stress enough the importance of Moses' teaching. God said Moses was a prophet, (Dt 18:18); therefore what Moses wrote is prophecy! That is why as Messianic Jews we provide a place to teach a balance between the five books of Moses and the New Testament. I have heard it said, "*The Old Testament is the New Testament concealed and the New Testament is the Old Testament Revealed.*" That is why Messianic Jews are intentional about celebrating Passover and all the Leviticus 23 feasts including Shabbat, because walking in them teach us of things to come. God is trying to help us, but many resist Messianic teaching by calling us judaizers and legalistic. Such Christians are stuck in a box of canned doctrines; such people are stubborn and stiff necked just as my ancestors were in the wilderness. "Jewish things" from the Bible are actually "God things" and

they may just save us in the coming clash between the kingdom of our Lord and the earthly Beast kingdom, which is manifesting in the natural right now as Israel is under attack from north, south, east and west.

Zechariah 8:23 says "*In that day ten people from the nations shall take hold of the fringes of a Jew and say: take us with you for we have heard God is with you.*"

The Plan: *Daniel 7:4 says, "Four great beasts, each different from the others, came up out of the sea. The first was like a lion, and it had the wings of an eagle. I watched until its*

wings were torn off and it was lifted from the ground so that it stood on two feet like a human being, and the mind of a human being was given to it." The wings of the Eagle are plucked from the beast Daniel sees. By Revelation 13, those same beasts which represent nations have formed a confederation of nations, or a "United Nations". If you read Revelation chapter 12 you will see the Dragon who is Satan of old, the Devil according to Rev 12:9 is chasing a woman. At the beginning of the chapter the woman is Miryam, Mary the mother of Yeshua; but as the chapter progresses the woman clearly becomes the nation and people of Israel, and by verse 11, the woman becomes "they" as in the Messianic Jewish people, who

keep the Commandments of God and have the testimony of Yeshua the Messiah. Some of you may say, "well I keep the commandments of God." Do you though? Do you keep his Feasts listed in Leviticus 23? Which are also his Sabbaths (Including the weekly Sabbath which is Saturday, see Leviticus 23:1-4, Isaiah 66:23).

Rev 12:14 is speaking of Messianic Jewish Israel, *"But the woman was given two wings of a great eagle, that she might fly into the desert (wilderness in English Bibles) to her place where she is nourished for a time and times and half a time, (3.5 years) from the presence of the serpent."* As I mentioned previously, the beast of Daniel 7 describes eagle's wings plucked, and the same beast appears in Revelation 13 as a confederation of nations, but this time without the wings of the Eagle. Why is that? Because the Eagle is the United States and the United States will no longer exist in its present form after the coming war with Iran. Again, according to my understanding, the President who fights Iran (i.e. the one horned goat) of Daniel 8, will be the **last** President of the United States. Though I wish that it were not so, it is the two horned ram (Iran) of Daniel 8 that is bucking wildly. Anti-Semitism is spreading like wild fire, Anti-Christian sentiment is growing too. This week Israel sent jet planes to Amsterdam to rescue Jews from persecution and violence following a soccer match in Holland. This is another sign of the coming mass Aliyah from the West.

We Jews call the modern Exodus plan Aliyah, when a Jewish person leaves the nations and returns to Israel; it is to make Aliyah. I have seen mass Aliyah from the west coming for 23 years and I have been writing about the return of the Jewish and the Messianic Jewish people to Israel (See my articles on the Second Exodus at www.forzionsake.org). Christians will go with us; in fact the Scriptures say that it is the Gentiles who will bring the Jews back to Israel in the end-times (see Isaiah 60:9-12, Isaiah 14:1-2, Isaiah 60:20). Well my friend, the stage is set. Hosea 11:10 says, *"He will roar like a lion; when He roars, his sons shall come trembling from the West."* Zechariah wrote, *Thus saith the Lord of hosts; Behold, I will save my people from the east country, and from the west country,"* Zech 8:7

Ezekiel said, *"Thus says the Lord God: When I have gathered the house of Israel from the peoples among whom they are scattered, and am hallowed in them in the sight of the Gentiles, then they will dwell in their own land which I gave to My servant Jacob. And they will dwell safely there, build houses and plant vineyards; yes, they will dwell securely when I execute judgments on all those around them who despise them. Then they shall know that I Am the Lord their God."* Ezekiel 28:25-26.

Finally, Why must the Jews return to Israel? Because we are Yeshua's inheritance, (see Dt 4:20, Dt 32:9). Also the sons of Jacob must return to Israel because as I wrote above, in Ezekiel 28, God gave the land of Canaan to the Jewish people as an eternal possession (see also Genesis 17:7, Gen 15:18, Ex 6:4). Gaza is the southern most territory of Canaan so God is in the process through the current war of restoring land to the Jewish nation. This is His doing.

As I conclude, let me clarify a few things. The woman of Revelation 12:14 is Israel, the "two wings of the great eagle" are jet planes (John didn't know what to call them), specifically American military jets and civilian airliners that Donald Trump will likely use to transport millions of Jews and Christians back to Israel as Anti-Semitism grows here and around the world. Jews will need protection to fly

back to Israel and many Christians will join, just as a mixed multitude of Gentiles left Egypt with the Hebrews (see Ex 12:38). That is why God showed me that they are the jets of the Great Eagle. Once in a secret place in the desert of Israel, God will nurture (i.e. feed, house, and generally care for His people for the 3.5 year period of the anti-messiah who is soon to walk on the scene). This is the perfect plan of God. There are no identity politics in God's plan; you don't have to be Jewish, you just have to be connected to the Messianic Jewish people in a meaningful way; that means either you belong to a Messianic Jewish synagogue, you volunteer for a Messianic Jewish synagogue or you support a Messianic Jewish synagogue with your gifts and prayers. Either way if you are connected it matters not if you are Republican or Democrat, Jew or Gentile, you just have to connect with Messianic Jews who know the Plan... There are many groups across the United States preparing to

help the Jewish people return to safety in God's hiding place in Israel. Most of these groups are Christians and the day will come when we will experience a great Exodus similar to the time of Moses. I hope you will make preparations to go with us.

There is so much more to say, but for the sake of space I must finish. To learn more, Read my articles and listen to past sermons on this subject at www.forzionsake.org. Feel free to make copies of this and share them with friends. The more the merrier! We want to save as many people as possible.
