The Road Less Taken

Shalom Dear Friends,
From Rabbi Joe

It has been 6 months since I have written to you and some of you have called asking if I am o.k. and telling us they miss receiving the Zion Letter. I express my deepest apologies for not staying in touch. In his poem, *"The Road Not Taken,"* Robert Frost wrote of a man at a fork in the road. The man had two choices to take the road to his left or the one to his right. The poet wrote, *"Two roads diverged in a wood, and I - I took the one less traveled by, and that has made all the difference."* You might say this has been the story of my life since I chose the road to Bristol, TN/VA back in 1999; however, I believe I was faced with the very same decision. Our fellowship hall had suffered a partial, though major collapse of the main wall of the building, in July 2023. Thus began a trying journey of searching for contractors to make repairs and funds to pay for them. I was just at the point of agreeing to pay a man \$8000 to knock down the remaining three walls of the building, when a prominent Christian businessman stepped in and helped me raise \$110,000 over the course of a year to make repairs to the fellowship hall. I was about to take one road, the road out of town and out of Tennessee/VA, but God had other plans.

Yes, I was about ready to throw in the towel. Covid had taken a large toll on our congregation. After fighting cancer for 13 years (at the time), and suffering arthritis of the spine, I was more than ready for a change... and change did come; just not the way I anticipated. After making repairs on the fellowship hall, I met with the kind man who helped me raise the funds to repair the fellowship hall. We had lunch together and I shared my prophetic revelations about Trump winning

the presidential race, nine months prior to the 2016 election, which was long before the Republican convention or the primaries. I also had predicted Trump would have two terms, that he would destroy ISIS, and go to war with Iran in order to stop their nuclear weapons program and terrorist regime. All of it came to pass. At that lunch in May of 2025 my friend was so taken with the prophetic interpretations I had shared with him, that it confirmed to him what God had already spoken to him in prayer: "put Joe Bell on Television." Now, suddenly after 15 years since my previous show ended, I found myself back on Living Faith Television, hosting *"Bible Prophecy Now with Rabbi Joe."* Well I had told my new friend that war was coming with Iran very soon (it was May when we had lunch). By June 22, 2025, just a month later, President Trump gave the order to send B-2 stealth bombers to destroy Iran's three primary underground nuclear enrichment and bomb making facilities at Isfahan, Natanz and Fardo. Just as the prophet Daniel wrote in chapter eight verse five, the U.S. military sent several B-2 stealth bombers with our largest "Massive Ordnance Penetrator" bombs, or MOP for short, to destroy Iran's primary nuclear facilities. However, Iran is not any normal country. They are governed by a theocracy that believes world war, death and mass destruction is the means to usher in their end-time messianic figure known as the Mahdi. As history shows they still have not given up even after a brutal and catastrophic series of attacks by the USA in 2026, known as "Operation Epic Fury." Perhaps by the time you receive this article, the US will have accomplished the complete and utter decimation of the wicked Iranian regime, who has been fighting the U.S. and killing our soldiers since 1979. My friend was so impressed with the prophetic revelation God had given me, that he put me on Living Faith Television a second night during the prime time hours. You can watch me at Livingfaithtv.com, on Roku, Rumble or locally on channel 8 every Tuesday night at 8PM EST, and every Thursday night at 7PM. I suggest you set your cal-

However, there is more! At that lunch with my friend, it was clear that there was an urgency in the Spirit... due to the urgency of the current times, God was leading us to host under the banner of "For Zion's Sake Ministries", a major conference focusing on prophecy from a Messianic perspective. That day, we put our plans into motion, for a large event to draw people regionally and nationally at the Marriott Meadowview Convention Center and hotel in Kingsport, TN. My job that day was to begin the difficult task of booking Jonathan Cahn, the greatest prophetic voice of our generation, to be the headline speaker for our event. Rabbi Jonathan Cahn is the author of *The Harbinger*, *The Paradigm*, *The Return of the Gods*, *The Dragon's Prophecy*, *The Avatar* and a total of ten #1 New York Times Best sellers in a row! I also suggested that we invite Rabbi Jonathan Bernis, who is one of the most brilliant minds in the Messianic Jewish world. Rabbi Bernis has a worldwide television ministry, a global medical ministry and is without question, one of the greatest speakers of our generation. Rabbi Bernis heads Jewish Voice ministries in Phoenix and Los Angeles. Additionally we invited the great worship leader Marty Goetz and his rising star daughter, Misha, to sing for us. Marty played for Billy Graham during his 1991 crusade in Central Park of New York City. He also sang at the memorial service for Carrie Fisher and Debbie Reynolds, in Hollywood, a few years back. Together with Misha, they wrote and sang much of the soundtrack for the recent animated movie, "David". If you have not heard Marty and Misha, check them out online.

As if that weren't enough, I had a divine connection with the executives of Jonathan Cahn's publishers at our rabbi's conference in January. By March 1st, I had a book contract to share my prophetic interpretation regarding Donald Trump, the War with Iran, and the future of the United States. I have since switched publishers, but God opened a significant door that ignited the publishing process. I hope to have a book within the year.

Meanwhile, the prophecy conference is scheduled for June 12 and 13th and I invite you to come to this exciting event! Tickets may be purchased at forzionsakeconference.com, where you will find all the details of the event, including hotel discounts. Also the local airport (TRI) is fifteen minutes from the venue. We are only charging \$50 for registration, and that includes both days. Come

hear and meet Jonathan Cahn, Jonathan Bernis, Marty Goetz and much more!

As you can see, I chose the road perhaps less traveled, but definitely busier than I could have ever dreamt. So here I am beloved; continuing with writing the Zion Letter and rejoicing in the use of our renovated fellowship hall, a television show twice a week, a prophecy conference around the corner, and a soon coming book about Donald Trump, the war with Iran, the future of Israel, and the fate of America. In addition, we have planned a powerful after-glow event to be held at our congregation. I invite you to be with us on Saturday the 20th of June, as Rabbi Kokeb Gedamu from Ethiopia will be ministering. Rabbi Gedamu is a dynamic speaker, and powerful in healing and deliverance ministry, so come bask in the supernatural! Bring yourself and all who need a touch from God; this is a great opportunity to take a step forward with God.

A special thanks to those of you who have faithfully supported our ministry in prayer and donations, despite my lack of correspondence. It has been a struggle for us, but God has been faithful, and I have done the best I can do. I chose the road less taken and that has made all the difference!

Shalom, Rabbi Joe

Shalom Friends! From Dawn Bell:

*1Corinthians 16:9 “ for a **wide door** for effective service has opened to me, and here many adversaries...”*

We have done so many wonderful things together for Israel, and it's always exciting to know what is the next big thing God is wanting to do here at For Zion's Sake Ministries. As Rabbi's wife, I have always joked that when Rabbi Joe gets an idea, I get to go to work.... And to tell you the truth I love the big ideas and projects that God gives to Rabbi Joe, because I get to see that those ideas when fulfilled, bring great blessing for the kingdom and for many people. This past year has been a season of restoration and revitalization where miracles took place to bring our facility at For Zion's Sake back into working order, culminating in a beautiful trip to Israel where Rabbi and I experienced renewal of connections, and found new connections that promise to pave the way for the future. This year we have literally stepped through a wide open door according to 1 Corinthians 16:9, and I am so excited to share about the new spiritual ground we have taken.

When God sent Paul to bring the good news of the Gospel to the Gentiles, Paul found something that no one had ever experienced in the Kingdom of God. He found amazing hunger and desire for God's truth and for the knowledge of the God of the universe. They suddenly had direct access to the God who made heaven and earth. The understanding that God had actually walked among them was empowering, and it transformed the whole world. Suddenly they were not bound by the paganism and the bondage of the things that ruled their lives. A wide open door of freedom and access to power was available that had never been available before!! This was the wide open door that the Apostle Paul was experiencing and shared about, in the scripture above. Literally the "fish" were jumping out of the water into the nets, and like Peter and his friends experienced, Paul's "nets" were so heavy that they strained and groaned at the weight of the catch!

The doors opening this year at For Zions Sake, have also been like Peter's amazing catch. It all began last year with launching our TV show, "Bible Prophecy Now with Rabbi Joe", followed by the prophecy conference with Jonathan Cahn being miraculously scheduled. In January, a book deal began the year, followed by an added weekly TV show. In addition, Rabbi Joe was elected to the Tri-Cities Prayer Breakfast Committee comprised of a group of pastors and business men, where he is helping plan major events for our community in addition to the prophecy conference. All special events planed by this committee will culminate in a mega event called "**Make Us One**" to be held at the Bristol Motor Speedway in June 2027. We are building unity and consensus in the Tri Cities community through these events, and God is building this leadership group into a powerhouse spiritual team for God's glory. We invite you to come to our weekly service so we can get to know you, and by you getting to know us and volunteering, you will have unique opportunities to serve the Lord for Israel and our community. . If you are looking for opportunities this is the right place. Many roles are available to be a part of the vision of the speedway filled with worshipers, worshiping in Spirit and Truth and Unity. There are also plenty of roles to play here at For Zion's Sake, including in worship, administrative, helps, media, or sharing the Gospel, etc... God has a special place just for you. You don't have to be Jewish; just demonstrate faithfulness, and the more you put in, the more you will get out. God has opened this wide open door for us, and I believe the people who join with us will also experience the miracle of doors opening.

Again, I invite you to pray about partnering with us in this next chapter of our journey, whether in prayer, in financial support for the projects we are taking on, or in joining us in person. If God is whispering a word of change or challenge, it is sure to be filled with blessings. We continually pray that God grants you the desires of your heart, and we are here to help you fulfill your destiny in God, especially if it involves Israel!
