The Prince of Peace vs. The Prince of Persia

Daniel sought the Lord for three weeks in prayer and fasting. During that time, he had a terrifying vision of a man clothed in linen, whose waist was girded with a belt of gold. His body was like beryl (emerald), his face like lightning, his eyes like fire, his arms and feet like bronze, and his voice like the sound of a multitude. Daniel lost his strength from fright and fell asleep. Then a hand touched him, strengthened him, and raised him from the ground. It was the angel Gabriel, sent to explain what would happen to the Jewish people in the last days. However, Gabriel had been delayed by the Sar Paras (Prince of Persia), whom he had been fighting and who prevented him from reaching Daniel for three weeks! In fact, Michael—the archangel and protector of Israel—was sent by God to help Gabriel fight the demonic Prince of Persia (Sar Paras); sar means “prince,” and Paras means “Persia.”

Many people have been wondering why President Trump waited from April 7 to July 7—three months to the day, somewhat like Gabriel being delayed for three weeks before reaching Daniel—to finish the war he began with Iran months ago. Could it be that the Sar Paras was delaying President Trump from completing the mission? In his book *The Avatar*, Rabbi Jonathan Cahn talks about the Sar Paras as the evil spiritual force behind Iran's massive power in the Middle East; not only in our time, but dating back to Abraham and the Persian defeat of Babylon recorded in Daniel chapter 5. Though Cahn does not say this, it is clear to me that the Ayatollah is the avatar of the Sar Paras. An avatar is a high priest of a false god who channels the demonic spirit of a false deity. The Sar Paras was present in the time of Daniel and even Abraham; however, its power

arose greatly when the Islamic Revolution took place in Iran in 1979, and has grown steadily since. If a mighty angel was forced to fight the Sar Paras for three weeks to break free and reach Daniel—who apparently was praying and fasting not only for insight from the Lord, but also for the angel to be able to reach him—how was President Trump able to break free from the grip of the Sar Paras and restart the war?

Surely President Trump was not praying and fasting like Daniel. If we do not know whom we are fighting, how can we fight effectively? Scripture says, *“For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.”* Discovering the Sar Paras has been a revelation to me—not merely that it exists and delayed Gabriel, but that it has grown more powerful than ever. The power of this spiritual adversary requires a powerful, righteous & spiritual opposition. The United States is fighting a war in the flesh, but to be victorious, the battle must be fought in the spirit! How can we fight in the

spirit if there is no understanding of who the real enemy is? Thanks be to God, He revealed it to me, and it is my job to share it with others. Therefore, as believers, we all need to pray for success in this battle.

Abraham and the Sar Paras;

In Genesis chapter 14, Abraham and Lot have already separated, and Lot has moved his flocks and family down to Sodom at the southern end of the Dead Sea. Meanwhile, Abraham moved about 25 miles north to Hebron, in the center of Israel, to shepherd his flocks. In those days, the kings of all Canaan paid tribute to the powerful kings of the East, led by the most powerful king of

Elam, Chederlaomer (central and southern Persia), as well as Amraphel, king of Shinar (Babylon). According to Scripture: "Then one who had escaped came and told Abram the Hebrew, for he dwelt by the terebinth trees of Mamre the Amorite, brother of Eshcol and brother of Aner; and they were allies with Abram. Now when Abram heard that his brother was taken captive, he armed three hundred and eighteen trained servants who were born in his own house, and went in pursuit as far as Dan. He divided his forces by night, and he and his servants attacked them and pursued them as far as Hobah, which is north of Damascus" (a distance of about 135 miles). *"So he brought back all the goods, and also brought back his brother Lot and his goods, as well as the women and the people"* (Genesis 14:13–16).

Abraham defeated the most powerful armies of the world in his time with just 318 trained shepherds. Of course, we do not know how many angels fought alongside Abram and his men, but I am sure it was a great many. I am also sure that the Sar Paras, the Prince of Persia, was there fighting behind the king of Persia and the other kings of the East. If you think about it, Abram was the greatest general in all history!

He could have become the ruler of the territory from the border of India all the way to the Mediterranean, including the land of Canaan; But Abram knew that ruling the world was not God's call on his life, so he left with his nephew Lot. Nevertheless, Abram gained the respect and fear of all the Canaanite peoples. President Trump may have a team of intercessors warring in the spirit, but we don't know if they are specifically warring against the Sar Paras, the Prince of Persia.

Based on my prediction in 2015 of President Trump as the Goat of Daniel 8, he will utterly destroy the current Iranian regime and nuclear program. But how will this happen? The answer is YESHUA THE MESSIAH, who is the Prince of Peace and the Lion of the Tribe of Judah. It is not Yeshua the Lamb, but Yeshua the Lion, who fought alongside Abram with His angels and is doing the same for President Trump. There is one thing about the conclusion of a matter: as in World War II, when it was Hitler's time to meet his end, there was nothing he could do. It is God who raises up kings and rulers, and God who brings them down: "And He changes the times and the seasons; He removes kings and raises up kings; He gives wisdom to the wise and knowledge to those who have understanding" (Daniel 2:21).

The Jewish Patriot and America's Jewish foundations

I believe one of God's greatest assignments to the United States as a nation, was to be Israel's protector in the world. Many people are unaware that it was a Jewish banker named Haym Salomon, along with Robert Morris, who essentially financed the Revolutionary War. In fact, Salomon gave so much to equip, arm, clothe, and feed Washington's troops

that he died in virtual poverty. He is credited with helping enable the Colonial forces to defeat the British at Yorktown, ending the Revolutionary War in the fall of 1781. The United States, Israel, and the Jewish people have been inextricably linked throughout history. From Christmas songs such as "White Christmas," by Irving Berlin, to medical discoveries such as the polio vaccine developed by Dr. Jonas Salk; from comic-book heroes such as Superman, created by Jerry Siegel, to Levi Strauss's blue jeans. Other Jewish contributors in movies, music and entertainment include Jerry Seinfeld, Mel Brooks, Adam Sandler, Milton Berle, Simon and Garfunkel, and Barbra Streisand, Gene Simmons, David Lee Roth and countless other entertainers, inventors, musicians, writers and much more. Jews have played a tremendous role in the history of the United States. However, it was God who chose the United States not only to vote for modern Israeli statehood at the United Nations in May 1948, but also to be Israel's protector and main intercessor on behalf of the tiny nation. Yet a day is coming—and now is—when the United States and all nations must decrease, for God says:

"In the last days the mountain of the LORD's temple will be established as the highest of the mountains; it will be exalted above the hills, and all nations will stream to it. Many peoples will come and say, 'Come, let us go up to the mountain of the LORD, to the temple of the God of Jacob. He will teach us his ways, so that we may walk in his paths.' The law will go out from Zion, the word of the LORD from Jerusalem. He will judge between the nations and will settle disputes for many peoples. They will beat their swords into plowshares and their spears into pruning hooks. Nation will not take up sword against nation, nor will they train for war anymore." (Isaiah 2:2–4)

In this passage, God says that Israel and the Messiah must increase. Many say that America is not in the Bible, but I have taught here, with many proofs, that it is. Sadly, in Daniel's prophecy of an end-time war with Iran, after a western nation defeating Iran with great fury, that same nation suddenly falls (see Daniel 8:8, 22). If the nation who militarily defeats Iran is the United States, then we will see the Sar Paras/Prince of Persia cause the collapse of the United States. Though we are militarily strong, the United States is still vulnerable. I recently heard a famous, high-ranking retired general wisely say that when nations and powerful individuals make threats, we need to take them seriously. Iran is acting as though it knows something we do not. Could it have a dirty bomb positioned here,

acquired from Russia or China? It has had 47 years to obtain one and make a plan. Possibly, a bomb was shipped here during the past several decades, waiting for the right moment to be driven into Washington, D.C., New York City, or both. Remember the Oklahoma City bomber, who blew up the federal building using a truck? It can happen again.

America taken out by the Sar Paras?

Unfortunately, our beloved United States, according to many experts, is dangerously on the brink of disaster in several ways. First of all, Communism is lurking, and many are falling to its destructive lies—to where the Democratic Party is being overtaken by communists led by Bernie Sanders, Mamdani, AOC, and others. They speak brazenly of doing away with Congress, the Supreme Court, the Constitution, and basically everything the Founding Fathers established to make America the greatest country on earth.

Recently, Fortune magazine quoted Jamie Dimon, CEO of J.P. Morgan Chase, the largest bank in the United States, warning that he would not personally buy long-dated government bonds. He cautioned that the massive national debt—\$40 trillion—and persistent fiscal deficits could eventually push interest rates higher and trigger a bond-market crisis. In other words, like a credit card, the government is currently able to pay only the interest, not the principal, and it raises money to pay that interest—the “debt”—through the sale of bonds. If our bond auctions fail to sell the amount necessary for the government to pay the interest on America’s credit card, then interest rates will likely rise, the dollar will weaken or even crash, and our credit rating will fall even further. Mr. Dimon is not the only major player on Wall Street to predict a possible severe recession in the United States. Last but not least is the potential for civil war in this country. Never in my 60 years in this country have I seen such division and hatred among Americans. Yeshua/Jesus said, *“Now brother will betray brother to death, and a father his child; and children will rise up against parents and cause them to be put to death. And you will be hated by all for My name’s sake. But he who endures to the end shall be saved”* (Mark 13:12–13).

How can a nation that kills tens of millions of babies—a nation so materialistic and full of greed, crime, and great sexual immorality—not be judged by God? I know there have been missionaries and tremendous amounts of giving to the poor from here in the United States, but as Daniel 2:21 says, God raises up kings and takes them down. When it is your time to go, it is your time to go. That must happen for the Messiah to return because, according to Zechariah 12–14, that all the nations of the earth will gather to attack Israel, only to be defeated by the Messiah Himself. He will return in the clouds, riding a white charger, and dip His white robes in the blood of Israel’s enemies. The United States is nowhere to be found on that day. With the great rise of antisemitism

and the falling away of the Church, I tell you that time is short. It will come like a flood or a heart attack. People will have no time to prepare, so I encourage you to begin praying NOW about how to be ready for the trouble coming upon America.

Conclusion: The Good News—God Has a Plan!!

Thanks be to God, He has a plan for His people to escape the troubled times coming upon the United States and the rise of the anti-Messiah. No, I am not talking about the Rapture; I am talk-

ing about the fall of the only good nation left on planet Earth besides Israel. Israel has Michael, Gabriel, and others to defend it. But who is America’s guardian angel? If we have one, the Bible does not mention it. You, as a believer, may have one, but the Bible mentions only one nation that has guardian angels, and that country is Israel. The Sar Paras—the Prince of Persia—is a demonic being overseeing Iran, and he is truly enraged by the United States and Israel right now. However, he cannot defeat Israel because Israel has more powerful angels assigned to protect her, but he can attack the United States. If you do not think we are vulnerable, then you have not been watching. There are tens of millions of unknown, unvetted illegal aliens, many of whom are violent criminals, murderers, sex offenders, sex traffickers, and child traffickers including terrorists by the thousands from the Middle East, China, and other countries who have entered our country. President Trump has removed more than a million of these thugs from the country, but it is doubtful that ICE and Border Patrol will finish the job before his term is over. There are most certainly terrorist cells in our country waiting to be activated. There will be a rapture someday, but God’s plan for America is to take His people out of the country as conditions grow worse. I suspect prices will continue to rise; eventually, the debt will catch up with us, as Jamie Dimon predicts, and life will become very hard here in the United States. The cost of living will decline. People are already paying outrageous rents, and millions may never be able to afford their own home. I know of a tent city growing in Bristol, Virginia, but the authorities do not seem to care. Squatters are taking over abandoned properties, and many are living in third-world conditions without showers, toilets, or running water.

So, what is God’s plan? His plan is called “ALIYAH.” It is Hebrew for God’s people leaving the nations and returning to Israel. The Scriptures are full of passages that speak about this (Isaiah 11; Isaiah 43:5; Jeremiah 16:14–15; Eze-

kiel 11:16–17; and Ezekiel 36–38). In Hosea 11:10–11, God says, “*He will roar like a Lion. When He roars, then His sons shall come trembling from the West; they shall come trembling like a bird from Egypt, like a dove from the land of Assyria.*”

There is going to be a massive airlift back to Israel (see Revelation 12:14), and many will also travel by sea. I know of hundreds of Christians in the United States who are preparing for Aliyah—to help Jews, Messianic Jews, and Christians return to our spiritual home, Israel. This is Aliyah, and you need to pray, my friend, because if the prophecy of America falling in Daniel 8 is true, you will not want to stay here. I recommend connecting with an Aliyah ministry such as ours, as well as reading books on the subject so you can learn more. I know this is new to many of you, so all I am asking is that you earnestly pray about what I am saying. Remember: just because we destroy Iran in the natural does not mean the Sar Paras will not take revenge on the United States.
